

How to Request an Electronic Filing Waiver

For entities subject to the electronic filing requirement (self-insured employers, attorneys, carriers, third-party administrators) a request for an **emergency technical waiver** of the electronic filing requirement due to lack of electronic mail, lack of Internet access, or EDFP failure may be submitted via facsimile, U.S. Mail, or hand delivery, along with the documents to be filed.

Clerk of the Industrial Commission
4336 Mail Service Center
Raleigh, NC 27699-4336
